

Performance Development Programme (PDP) 2021/22

The Performance Development Programme (PDP) is a supplementary Programme designed for Dancepointe Academy (DPA) students looking for additional training and performance experience in a holistic and nurturing environment. This Programme provides dancers with additional technique training and performance opportunities beyond the classroom. Students will experience progressive and student-centered learning.

Objectives

Through this Programme, we hope to:

- enhance the dancers' technical and performance abilities by encouraging them to explore and experience more comprehensive techniques, and performance-based training in Ballet, Lyrical or Jazz.
- provide dancers with performance opportunities on various platforms such as public events or professional stages by invitation and allow for growth as a performer
- instill self-discipline, motivation, determination, and perseverance in every dancer
- develop the dancers' confidence and help each dancer achieve their fullest potential

Programme Curriculum

- Once a week (1.5hrs)
- Dance Technique and Performance training (mainly Ballet, Lyrical or Jazz) with focus on body posture, increasing flexibility, gaining strength through conditioning and building movement vocabulary as well as performance quality and showmanship
- Students will be graded on their Dance Technique and Performance at the end of the Programme.
- Students will be given the opportunity to gain stage exposure by performing at external events.
- PDP Students will receive a Certificate of Achievement at the end of the Programme.
